1. The Oliver Area Redevelopment Plan is further amended by:
 - a. deleting paragraph 1 of Policy 6.5.1 Land Use in its entirety and replacing it with:

“1. Residential redevelopment within Sub Area 2 shall consist of a range of built forms, from single detached dwellings to low rise apartment structures. b) a high rise residential development shall be permitted on Lot 29A, Block 20, Plan 2021196 through a (DC2) Site Specific Development Control Provision to ensure the podium and residential tower are designed in a manner that is sensitive and integrates to the surrounding context; and

c) a mid rise residential development shall be permitted on Lot 372, Block 19, Plan 0623115 through the (RA8) Medium Rise Apartment Zone in recognition of its relatively large site size and proximity to the future Brewery/120th Street LRT Stop on the Valley Line West LRT line.”
