

8. Motions Pending

8.1 Council Report Data (M. Nickel)

Councillor M. Nickel stated that at the next regular meeting of City Council, he would move the following:

That the City Clerk provide a memo to Council with data regarding the percentage of Council reports that are completed by Agenda Review Committee meeting and general reasons why reports are not to be completed by that time and any information regarding policy or bylaw changes that Council could make to improve the rate of completion by the Agenda Review Committee deadline.

- Notice of Motion Given: July 15, 2019, City Council Public Hearing

8.2 Private Property Damage Claims (J. Dziadyk)

Councillor J. Dziadyk stated that at the next regular meeting of City Council, he would move the following:

That Administration work with EPCOR to provide a report on:

- number of claims for damage to private property received by EPCOR and the City in the past 5 years related to failed City of EPCOR owned drainage infrastructure
- number of claims paid and the number of claims denied
- total amount of claims paid.

- Notice of Motion Given: July 16, 2019, City Council

8.3 Reductions to Small Business Regulations (S. Hamilton)

Councillor S. Hamilton stated that at the next regular meeting of City Council, she would move the following:

That Administration bring a report identifying reductions to existing City regulations for small business by a target of one-third.

- Notice of Motion Given: July 16, 2019, City Council

8.4 YEG Innovation Compass (A. Knack)

Councillor A. Knack stated that at the next regular meeting of City Council, he would move the following:

That EEDC work with TEC Edmonton, Health City, and other stakeholders and report back on the status of the recommendations in the YEG Innovation Compass Report. This report should specifically address opportunities to reduce overlap, clarify roles and governance, accelerate the technology economy, and better serve the municipal innovation ecosystem.

- Notice of Motion Given: August 21, 2019, Community and Public Services Committee

8.5 Upgrades to Hawrelak Park Lake (B. Henderson)

Councillor B. Henderson stated that at the next regular meeting of City Council, he would move the following:

It is my understanding that there may be some simple infrastructure and treatment upgrades that could be done to the Hawrelak Park Lake to upgrade the quality of its water. Given that Administration is currently in the process of scoping the infrastructure upgrades that are necessary to rehabilitate the park.

That Administration add an exploration of the potential upgrades that could be done in tandem with the Hawrelak Park upgrades to improve the water quality of the lake.

- Notice of Motion Given: August 26, 2019, City Council Public Hearing
