October 16, 2020
Executive Committee
Eddie Robar, Branch Manager

Vision

**HEALTHY
CITY**

**URBAN
PLACES**

**REGIONAL
PROSPERITY**

**CLIMATE
RESILIENCE**

Improving the DATS customer experience is essential to our transit network and a key component of a healthy and resilient city.

DATS Program Service Enhancements

- Customer engagement
- 3 year action plan approved June 2019
- Customer journey mapping

Improving DATS Customer Experience

3-Year Action Plan:

Approved by Council in 2019. Activities include:

- improving operator recruitment and training
- expanding contractor partnerships
- enhancing booking and trip planning technology
- leveraging the fully accessible transit fleet

Will provide flexibility to address client needs

Update on action plan

COVID-19 impacts on ridership:

- Extra measures to keep customers and staff safe
- Work continued to further actions in plan
- On track to complete remaining actions by 2022

Action plan timeline and highlights

2020

- Keep our customers and staff safe during pandemic
- Addressed DATS workforce recruitment and training
- Improved contracted service model
- Improved automated trip scheduling

2021

- Implement cost effective service model
- Service improvements and efficiency
- Option to book pick up and drop off window
- Customer engagement - appointment times, subscriptions, surveys

Action plan timeline and highlights

2022

- Explore partnerships with alternate transportation providers
- Real time info / improve online booking tool
- Increase integration with transit network as a whole
- Improve customer comfort and accessibility in travelling across the network

Taxi Voucher Pilot

- Can provide an additional option for DATS clients
- Taxi voucher programs may increase demand for DATS
- Taxi voucher programs will not immediately increase the supply of accessible taxis

Next steps

- DATS trip demand is seeing steady and gradual growth
- Confident in the plan and path to improve DATS customer experience
