

Proposed Licence Fees

Administration is proposing a five-tier fee schedule. Tiers will be assigned to licence categories based on the complexity of issuing the licence, and any limitations to the validity of the licence.

For example:

- A Public Market Vendor licence (Tier 1) requires minimal effort to issue, and is only valid when a business operates at a licensed Public Market.
- An Alcohol Sales (Consumption on Premises / Minors Prohibited) licence (Tier 5) requires development and building permits, review of police information checks and control plans, consultation with the Edmonton Police Service (EPS), consultation with Fire Rescue Services, notification to Alberta Gaming, Liquor, and Cannabis (AGLC), and notification to Alberta Health Services (AHS).

The amounts below are based on the current fees with an assumption of 2% inflation for 2021. The results are rounded up or down to the nearest \$5. Under this proposed fee schedule, Administration forecasts a revenue decrease of approximately \$1.4 million. This will impact the amount transferred to general revenue.

Tier	New Licence		Licence Renewal	
	1 Year	2 Year	1 Year	2 Year
1	\$60	\$110	\$50	\$100
2	\$95	\$180	\$85	\$165
3	\$255	\$490	\$230	\$440
4	\$540	\$1,020	\$485	\$920
5	\$685	\$1,305	\$620	\$1,175
