

# Citywide Public Washroom Strategy

Edmonton

December 2, 2020

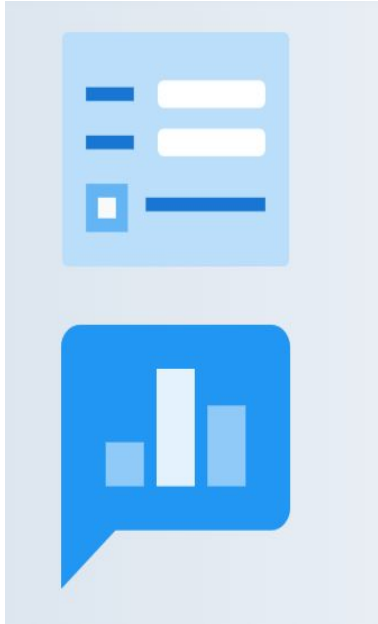

Community & Public Services Committee

Presented by: Gord Cebryk & Brian Simpson

# Washroom Attendant Pilot Program

# Evaluation Findings

- Increased visitor satisfaction regarding safety and cleanliness.
- Reduction in incidents from **21** in 2019 to **6** in 2020.
- Vulnerable populations supported through regular engagement.

# COVID-19 Response

Worked with Boyle Street Ventures to keep washrooms open in 7 key locations.

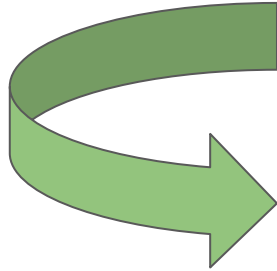

Increased custodial levels at other City parks washrooms with no attendants.

\$548,002 expended from April 7 to October 8, 2020.

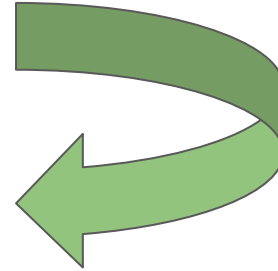

# Next Steps

Finalize a governance model and operating standards for washrooms in parks and open spaces.

Explore opportunities to work with businesses, non profit organizations, and other stakeholders.
