The loss of the \$16,500.00 CIOG (Community Investment Operating Grant), distributed by The City of Edmonton, is certainly not critical to the ongoing operations of the Society but:

- if not received it will require current and future financial donations to be redirected to cover operational costs

and

- it will be like losing \$33,000.00, funding lost and donated funds that will need to be redirected to

cover to ongoing operations.

The Society of Saint Vincent de Paul – Edmonton Central Council; asks the members of Edmonton City Council to continue with the distribution of CIOG (Community Investment Operating Grant) funding to the many organizations that are helping the citizens of Edmonton in different and unique ways.
