#### **Workforce Composition - Comparators**

#### **Supervisor Reduction Exercise - Update**

10% (184 FTE)

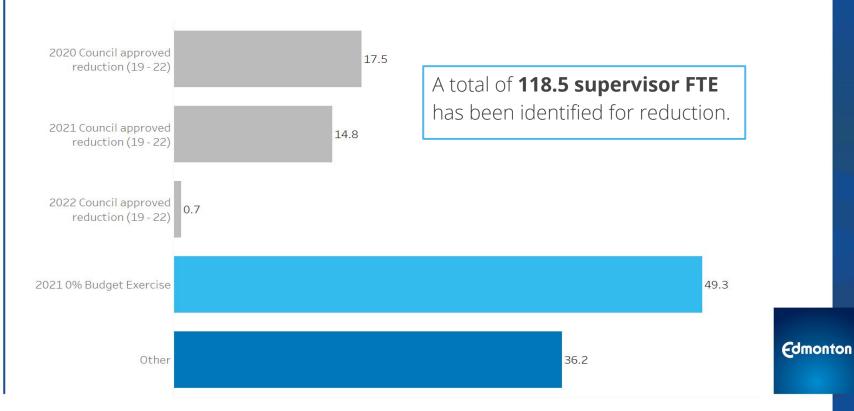

5% (92 FTE)

Reductions Identified: 118.5 FTE (6.4%)

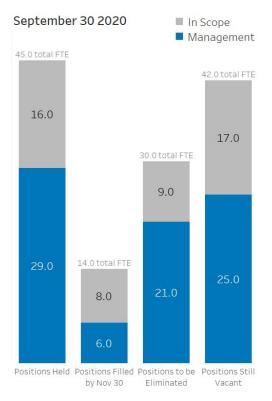

- → Identified 118.5 supervisor FTE for potential reduction
- → Jurisdictional impacts of proposed supervisor reductions are 69 Management and 49.5 union FTEs. Details as follows:
  - ◆ Management, 69 FTE
  - ◆ CSU, 27.1 FTE
  - ◆ CUPE, 14.4 FTE
  - ♦ EFFU, 8 FTE
- → This represents an overall supervisor reduction of:
  - ♦ 8.7% senior management FTE
  - ◆ 5.1% middle manager/ management FTE
  - ♦ 6.8% front-line supervisor FTE

**Edmonton** 

#### **Supervisor FTE Reductions Aligned with Budget Strategy**

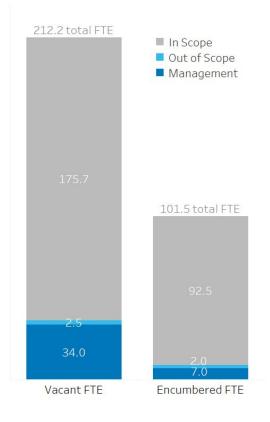

#### A Review of 131 Permanent Vacant Supervisor Positions

- → As of September 30, the City had 131 permanent vacant supervisor FTEs as per the OCA supervisor definition.
- → A detailed review of vacancies has confirmed:
  - ♦ 45 FTEs are held for current employees
  - 14 FTEs have been filled
  - 30 FTEs have been identified for elimination.
  - ♦ 42 supervisor FTEs are currently vacant :
    - 10 are critical and active in a HR process
    - 32 are paused pending the outcome of budget deliberations and/or as a result of COVID-19 service impacts.

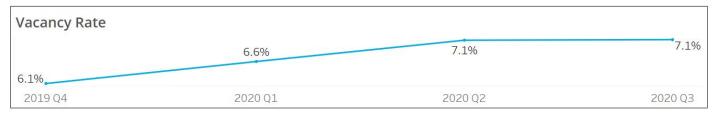

#### **2021 0% Budget - Proposed FTE Impacts**

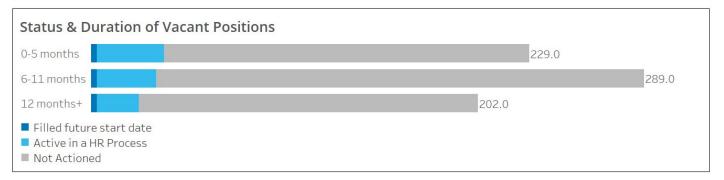

- → 2021 0% budget exercise proposes a reduction of 347.2 FTE. As of December 01, 2020:
  - ◆ We have identified 313.7 FTEs for reduction
  - We will achieve the remaining balance via corporate realignment initiatives
- → Used a number of workforce strategies to minimize the impact to our employees.
  - 67.6% of FTEs to be reduced are vacant
  - 32.4% FTEs to be reduced will impact current employees
- → 87% of the City's FTEs are union positions. The proposed FTE reductions closely mirror the ratio of union and management positions.

#### Vacancy Management - Reflective of Sept 30, 2020
