Executive Summary

The recommendations in this report initiate the process of designating a historic resource, at the owner's request, as a Municipal Historic Resource in accordance with the *Historical Resources Act*.

Report

Delton Grocery is on the Inventory of Historic Resources in Edmonton, and merits designation under City Policy C450B - Policy to Encourage the Designation and Rehabilitation of Municipal Historic Resources in Edmonton. Kulwinder Singh and Tirath Kaur own the property.

On February 15, 2019, the owners completed the application requirements to have Delton Grocery, located at 12202 - 88 Street NW, designated as a Municipal Historic Resource under the provisions of City Policy C450B.

If designated, any future renovation of Delton Grocery will be required to meet the

Standards and Guidelines for the Conservation of Historic Places in Canada.

The designation of this property will support its proper restoration and continued protection in the future.

Budget/Financial

Upon completion of the project phases as outlined in Attachment 5, the Heritage Resources Reserve will pay the owner up to \$35,639.70 for rehabilitation. The current Reserve balance is sufficient to cover the committed funding, including Delton Grocery.

The total estimated cost of the restoration work for the project is \$71,279.39. Beyond the \$35,639.70 grant from the Heritage Resources Reserve, the owner is responsible for all costs of the restoration work for the project.

The Q1 2019 projections for the Reserve (using current commitments) anticipate a Reserve balance of \$1,739,258.08 at the end of 2019. Administration is considering a number of potential heritage designations for use of these funds, which will be brought forward for Council approval as required. Based on the current commitments, the Reserve balance is anticipated to decline to a balance of \$777,176.31 at the end of 2020. The Reserve is funded by the tax levy on an annual basis (\$2.3 million in 2019). All unused funds will be used to top up the Reserve for future designations and any overages will be drawn from the Reserve annually.

Public Engagement

Public engagement was not undertaken as part of this process, as it is not required under the *Historical Resources Act*.
