*CR\_8176* - Advancing City Plan: Systems and Networks

# The City Plan Systems and Networks

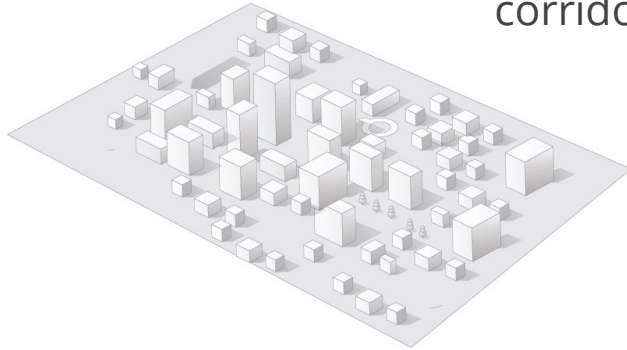

# Planning and Design

## *District Planning*

### *THE PLACES*

Support 15 minute districts through policy guidance to accommodate growth, redevelopment and support and nodes and corridors.

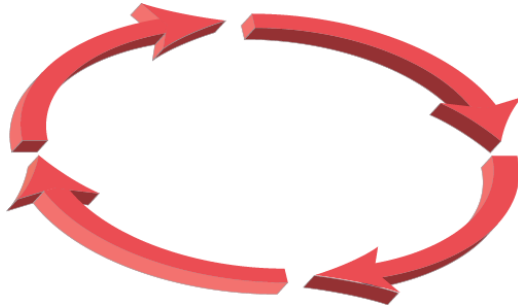

# Planning and Design

## *City Planning Framework*

### *THE PROCESS*

Simplify and manage the lifecycle of our planning tools - how they are created, maintained, and repealed.

# Mobility

## *Mobility Network Assessment Mass Transit Bike Plan Implementation*

### *THE LINKS*

Enhance the links for people and goods to move around the city in a safe and accessible way.

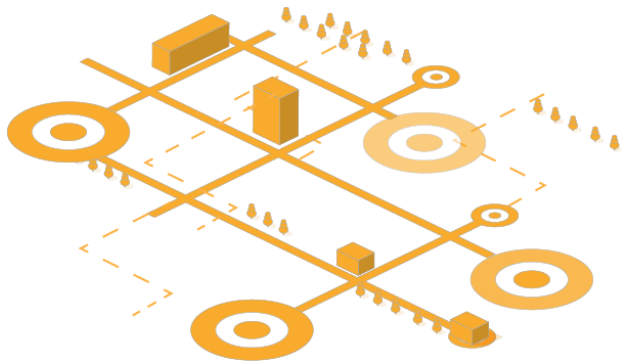

# Managing Growth

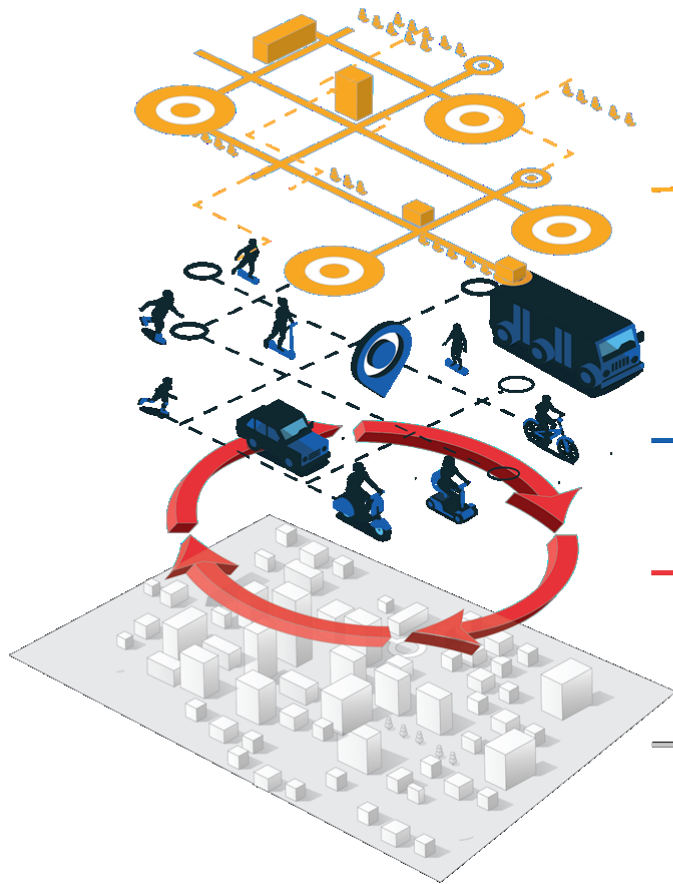

## *Growth Management Framework*

### *THE LEVERS*

Advance the City's activation approach, influence the development pattern and invest in priority areas.

*Each system is essential to achieving The Big City Moves and the city building outcomes of The City Plan.*
