Future Build-out

6:

Next Steps

- Request the following:
 - Further input and engagement with City Administration
 - Short-term “pause” in this process
 - Series of issues remain to be discussed:
 - Position on NAIT reuse proposal
 - Assess future impacts as the adjacent landowner
 - Potential conflicts reviewed for future land use for the area as a whole – both NAIT and Blatchford (e.g. goals & objectives, Market District, Student Residence, future TOD area, transportation network connectivity, etc).
