Planning and Design

District Planning

THE PLACES

Support 15 minute districts through policy guidance to accommodate growth, redevelopment and support and nodes and corridors.
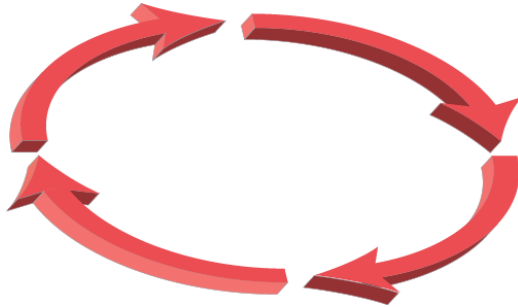

Edmonton

Planning and Design

City Planning Framework

THE PROCESS

Simplify and manage the lifecycle of our planning tools - how they are created, maintained, and repealed.
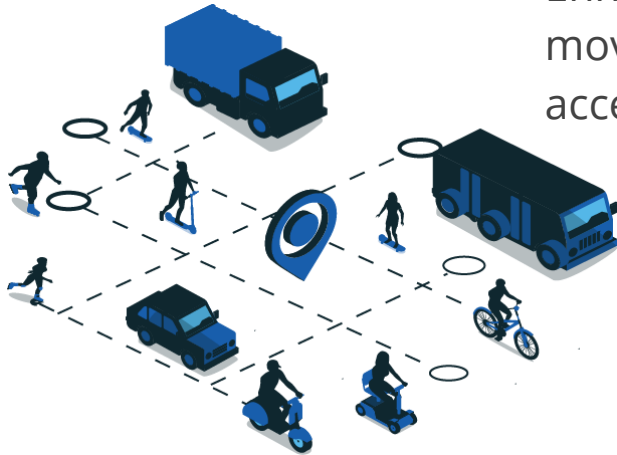

Mobility

Mobility Network Assessment
Mass Transit
Bike Plan Implementation

THE LINKS

Enhance the links for people and goods to move around the city in a safe and accessible way.
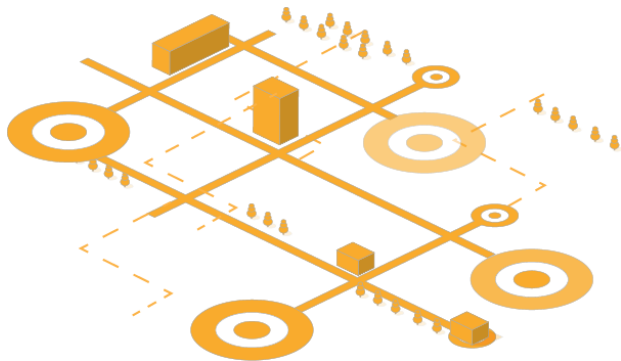

Edmonton

Managing Growth

## Growth Management Framework

THE LEVERS

Advance the City's activation approach, influence the development pattern and invest in priority areas.

Edmonton

Each system is essential to achieving The Big City Moves and the city building outcomes of The City Plan.
