

Requests to Reschedule Reports

Urban Planning Committee

March 2, 2021

Recommendation:

That the following revised due dates be approved:

1. Alternative Landscape Options for Boulevards and Turf
City Operations - CR_8442

Original Due Date: March 2, 2021

Revised Due Date: June 15, 2021

- In order to align the Turf Strategy with the report and answer critical questions (what can be outsourced or done through partnerships, updated information on mowing service levels, and what can be naturalized), this report will need to be timed after the Reimagine work has been presented to Council.
