

List of Titled Parcels - Bylaw 19517

# of Titles / Parcels Affected	Titled Parcel (Municipal Address)	Legal Description	Description of Access Closures	Benefits Associated with Closure	Alternate Access
1	16301 - 87 Avenue NW	Plan 582MC Block 19 Lot 14	Refer to Schedule A1 of Bylaw 19517	This access is the driveway to a private dwelling with no space to turn around. Using this access requires at least one manoeuvre in reverse into an intersection. The existing service road is being repurposed to allow for the LRT and traffic lanes. This is a safety concern due to the potential conflict with vehicles, the LRT, and pedestrians on the arterial road right of way. Furthermore, the access is in the middle of a signalized intersection which poses an additional safety concern.	The parcel has alternative access through the existing back alley lane.
