

# Bylaw 19641

## To Amend Bylaw 19407, Community Safety and Well-being Task Force Bylaw

---

### Purpose

To amend Bylaw 19407, Community Safety and Well-being Task Force Bylaw.

### Readings

Bylaw 19641 is ready for three readings.

If Council wishes to give three readings during a single meeting, then prior to moving third reading, Council must unanimously agree “That Bylaw 19641 be considered for third reading.”

### Position of Administration

Administration supports this Bylaw.

### Report Summary

This bylaw amends Bylaw 19407, Community Safety and Well-being Task Force Bylaw, to extend the delivery date for the Task Force’s final report to Council and to remove remuneration for the Chair of the Task Force.

### Report

Bylaw 19407, Community Safety and Well-being Task Force Bylaw, reads:

5 To carry out its mandate, the Community Safety and Well-being Task Force must:

- (c) no later than March 31, 2021, provide a written report to Council with recommendations arising from the work described in subsections (a) and (b).

The proposed bylaw extends the due date for the written report to Council to April 30, 2021, to allow the Task Force to complete its work.

In addition, the proposed bylaw removes any compensation for the Chair provided for in Bylaw 19407. The Chair has indicated that they are not in a position to accept any remuneration and therefore have asked for this requirement to be removed from the Bylaw, which requires City Council approval.

### **Others Reviewing**

- K. Fallis-Howell, Acting City Solicitor
