# Transportation Network Indicators Mobility Network Assessment Update

Urban Form And Corporate Strategic Development

CR\_7477

March 23, 2021

# The City Plan implementation approach

## Planning, Policy & Regulation

### Examples

- District Planning
- City Planning Framework
- Zoning Bylaw Renewal

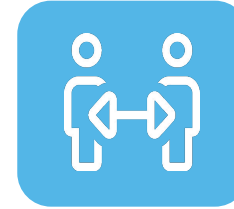

## Process & Service Delivery

- Prioritized budgeting
- Business planning
- Operational service delivery

## Data & Measurement

- Measures and targets
- Transparent reporting

## People, Partnerships & Change Management

- Organizational change management
- External relationships and partnership

# The Mobility Network Assessment

## Transportation Network Performance Indicators

Understand and track operations & behavior within the mobility network

## Mitigation Measures Toolkit

Summarize tools available to improve the mobility network

## Investment Prioritization Framework

Prioritize investments that align with strategic direction

# Transportation Network Indicators

- Reflect status of the network and identify changes over time
- Monitor progress towards City Plan Targets
  - To be further refined through interim target setting and the Enterprise Performance Management process

# Mitigation Measures Toolkit

## Policy Measures

- Adoption of new policy, not infrastructure improvement

## Composite Investment Measures

- Localized improvements at multiple locations city wide managed through one program

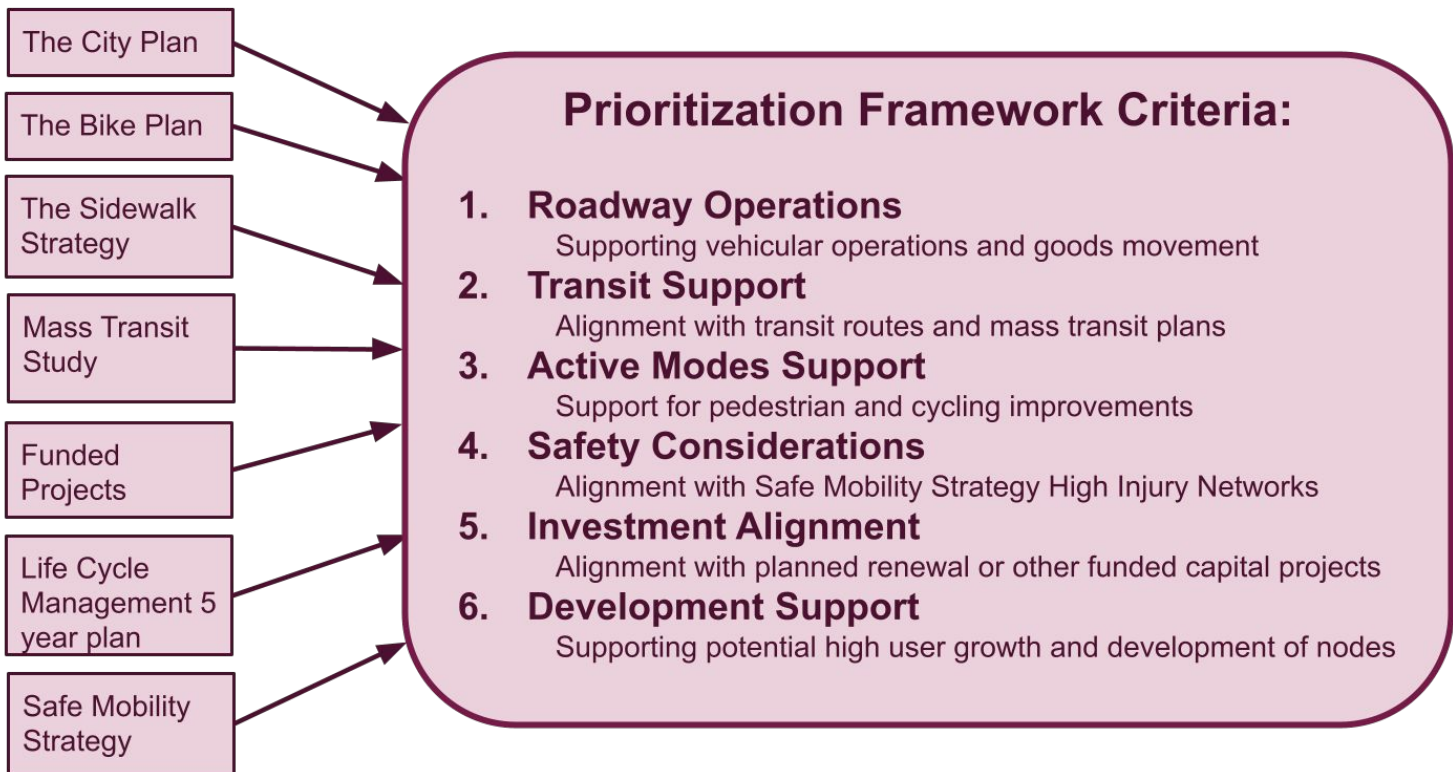

## Standalone Project Measures

- Improvements focused within one area or along one corridor

# Identification of Candidate Projects

- Locations with operational issues
- Opportunities to improve and support transit speed and reliability
- Infrastructure gaps for people walking or cycling
- Locations with identified safety concerns

# Prioritization Framework

# Next Steps

- Refine & finalize prioritization framework
- Apply prioritization framework, incorporating ongoing work mass transit planning
- Bring update to Urban Planning Committee in summer 2021
- Alignment and integration with other work
- Use results to inform recommendations for 2023-2026 Capital Budget and Capital Investment Outlook

---

# Thank You
