

CHARTER BYLAW 19657 TEXT AMENDMENT

The purpose of Charter Bylaw 19657 is to amend the Zoning Bylaw 12800 to create a new Special Area Zone called the (ECB) Ellerslie Business Commercial Zone to allow for a mix of commercial, office and service uses, and limited industrial uses. This amendment is associated with a rezoning (Charter Bylaw 19658) for an area located north of Ellerslie Road SW and west of Parson Road SW as well as an amendment to the Ellerslie Area Structure Plan (Bylaw 19656). Administration supports this proposed Charter Bylaw.
