1. That a unit tax rate of \$1.38 per assessable metre per annum for fifteen (15) years be set for the Project, residential and commercial standard, undertaken in 2021. For condominium titled units the assessable metres for the frontage and/or flankage of the condominium plan, where the local improvement is undertaken, will be divided by the number of titled condominium units.  - b) with respect to the side or flankage of such parcels, they shall be assessed fifteen per cent (15%) of the total number of lineal metres along the side or flankage thereof abutting the road where the local improvement is undertaken.
- 3. That the foregoing unit tax rate was calculated based on a two and three hundred-fifty-three-thousandths per cent (2.353%) interest charge per annum for a fifteen (15) year assessment.
- 4. That for the purpose of the Project the sum of \$30,504.00 will be borrowed by way of debenture on the credit and security of the City of Edmonton at large, of which amount the sum of \$30,504.00 is to be collected by way of local improvement assessment as provided in Schedule "A".
- 5. The debentures to be issued under this Bylaw shall not exceed the sum of \$30,504.00, and may be in any denomination not exceeding the amount authorized by this Bylaw and shall be dated having regard to the date of the borrowing.

10. After applying the local improvement assessments, there shall be levied and raised in each year of the currency of the debentures a rate on all benefiting properties in the City of Edmonton, collectible at the same time and in the same manner as other taxes, in an amount sufficient to pay any of the principal and interest falling due in such year on such debentures.
11. The indebtedness is contracted on the credit and security of the City of Edmonton at large.
