Table 2. Summary of funding reductions for Edmonton post-secondary institutions

Post-secondary Institution	2021 Budget Impact on Operating Grants	Strategies to Address Budget Impacts*
MacEwan University ¹	<ul style="list-style-type: none"> There was no change in operating grants in 2021-22 from 2020-21, including targeted grants for students with disabilities and mental health. However, MacEwan University has had to deal with a 10.1% reduction in provincial grant funding over the previous two years. 	<ul style="list-style-type: none"> No specific strategies have been publicly announced.
NorQuest College	<ul style="list-style-type: none"> At the time of writing, a publicly released statement by NorQuest College on the impacts of Budget 2021 was not available. However, on a year-over-year basis as of June 30, 2020, reported provincial 	<ul style="list-style-type: none"> No specific strategies have been publicly announced.

	operating grant funding ² was 3.6% lower (-\$1.7M).	
Northern Alberta Institute of Technology (NAIT) ³	<ul style="list-style-type: none"> • No specific details related to Budget 2021 have been publicly announced by NAIT. • Grant funding for apprenticeship expansion seats saw an almost 54% decline in 2019/20 from 2016/17. • In light of findings from the Mackinnon report, NAIT anticipated a reduction in provincial funding of up to 20% over the provincial budget cycle, which led to the development of its transformation plan. 	NAIT developed a transformation plan in 2019/20 that included reductions to staffing levels and developing new revenue streams.
University of Alberta ⁴	<ul style="list-style-type: none"> • The University of Alberta's provincial grant funding was reduced by 11%, or \$60.1M, in Budget 2021. • The reduction is viewed as disproportionate as it is almost one half of the total cut to the provincial post-secondary sector, whereas 25% of Alberta's post-secondary 	The University of Alberta is continuing to reduce expenditures by: <ul style="list-style-type: none"> • decreasing administrative costs with total savings of \$95M by the end of the year; • grouping 13 faculties into three colleges creating economies of scale for providing administrative services;
