<p>C420 Corporate Communications Policy</p> <p><i>Approved by City Council on June 21, 1991</i></p>	<p>This Policy is from 1991 and predates the creation of the Communications and Engagement department.</p>
<p>C479 Fiscal Policy for the Enterprise Portfolio - Community Services</p> <p><i>Approved by City Council on October 25, 2000</i></p>	<p>This policy was established to capture revenues from recreation facilities and reinvest in the capital and operating costs to continue management of select facilities, following an enterprise portfolio model of recreation facilities. The Enterprise Portfolio model never fully developed into an ongoing, sustainable operating model for Community and Recreation Facilities.
