

CITY OF EDMONTON

BYLAW 16014

A Bylaw to authorize the City of Edmonton
to impose a special tax for the repair and
maintenance of the Alley Lighting

WHEREAS:

Section 382 (1) of the *Municipal Government Act*, R.S.A. 2000, c. M-26 authorizes Council to pass a special tax bylaw annually to raise revenue to pay for a special service or purpose;

It is deemed in the public interest that the special tax as hereinafter described should be assessed and levied.

THEREFORE, THE COUNCIL OF THE CITY OF EDMONTON DULY ASSEMBLED ENACTS AS FOLLOWS:

1. That there is assessed and levied a special tax for 2012 upon all lands fronting or abutting on all streets served by the repair and maintenance of the Alley Lighting, the special tax to be assessed and levied at a rate of \$1.24 per assessable metre of the lands fronting or abutting upon the streets.
2. The number of assessable metres shall be the number of linear metres of the several lands measured along the portion abutting the Alley Lighting.

3. Where some of the parcels of lands abutting on the Alley Lighting appear to call for a smaller or larger proportionate assessment on account of being corner lots or being of a different plan or shape from the other parcels, those exceptional parcels of land may be assessed as having a smaller or larger number of metres abutting thereon than they actually have so that each parcel of land fronting or abutting on the Alley Lighting will bear a fair, just and equitable proportion of the special tax.

4. The rate of \$1.24 per assessable meter referred to in paragraph 1 shall be a uniform rate based upon established average costs throughout the City.

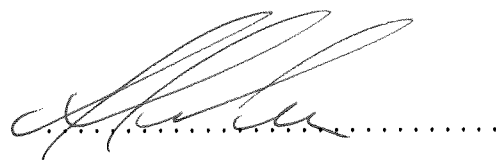

5. This bylaw shall take effect on the day of the final passing thereof.
