

Community and Public Services Committee Report

Current Leasing Status of the Orange Hub

Recommendation of the Committee

That Administration:

1. consider adjusting its fixed lease rate and establish a range of lease rates, regardless of cost recovery,
2. work with the Edmonton Arts Council, Arts Habitat Edmonton and a selection of artists to establish a program that ensures a portion of space at The Orange Hub is affordable for professional artists. The program will establish a fee structure, selection process, criteria, and identify an entity to manage these specific spaces on the city's behalf

and return to Committee.
