

Community and Public Services Committee Report

Injury and Fatality Collisions - Open Data Catalogue

Recommendation of the Committee

1. That Administration release whatever Injury and Fatality Collision statistics that can confidently be released now, in compliance with legislation, into Open Data.
2. That the Mayor, on behalf of City Council, write a letter to the Government of Alberta to request additional guidance on what precisely can be published under current rules, and to urge any needed provincial policy changes to increase transparency and availability around injury and fatality statistics.
