

Utility Committee Report

Zero Waste Target Analysis

Recommendation of the Committee

1. That Phase 2 engagement be conducted to further articulate and inform a Zero Waste framework as an overarching strategic goal for Waste Services.
2. That a final analysis and recommendation for a Zero Waste framework be included as part of the 25-Year Strategy Report to Utility Committee in June 2019.

History

At the February 1, 2019, Utility Committee meeting, the February 1, 2019, City Operations report CR_5827, the February 1, 2019, City Operations report CR_6132, the February 1, 2019, City Operations report CR_6361, and the February 1, 2019, City Operations report CR_6669, were considered and dealt with together and the Committee heard from M. Gorrie and D. Dooley. The following motion was passed:

6.1 Citizen feedback on Additional Residential Waste Diversion Programs

That Administration provide a report to the June 28, 2019, Utility Committee meeting on a final strategy including results of additional citizen engagement on:

1. Source Separated Organics as outlined in Figure 2.1 of Attachment 2 of the February 1, 2019, City Operations report CR_5827.
2. Additional waste diversion and reduction programs.

And that Administration use the recommendations of Waste-Free Edmonton, as outlined in M. Gorrie's handout from the February 1, 2019, Utility Committee meeting, as the basis for consultation on single use plastics in Phase 2.
