## Specific Terms and Conditions

- The City signing the agreements is conditional on the agreements being approved by the appropriate City Council Committee.
  
- Trans Mountain Pipeline L.P.
  - Investigation and construction costs will include excavation, inspection, installation of casings, and testing
  
- Plains Midstream Canada ULC
  - Investigation and construction costs will include field investigations and completion of mitigation work
  
- Pembina Pipeline Corporation
  - Costs will include investigation, engineering design, and pipeline mitigation work.
  
- The agreements will require reasonable documentation be provided to the City to support all eligible costs before the City provides reimbursement.

The agreements shall be in a form acceptable to Legal Services, and in content acceptable to the Director of Valley Line. The approval of the Agreement includes the approval of such corrective, conformance, and incidental amendments to the Terms and Conditions, and to the form and content, as necessary or desirable to implement the agreements, all as may be subsequently approved by the Director of Valley Line.
