Respective Roles of the City and EPCOR: Who sets the plan?

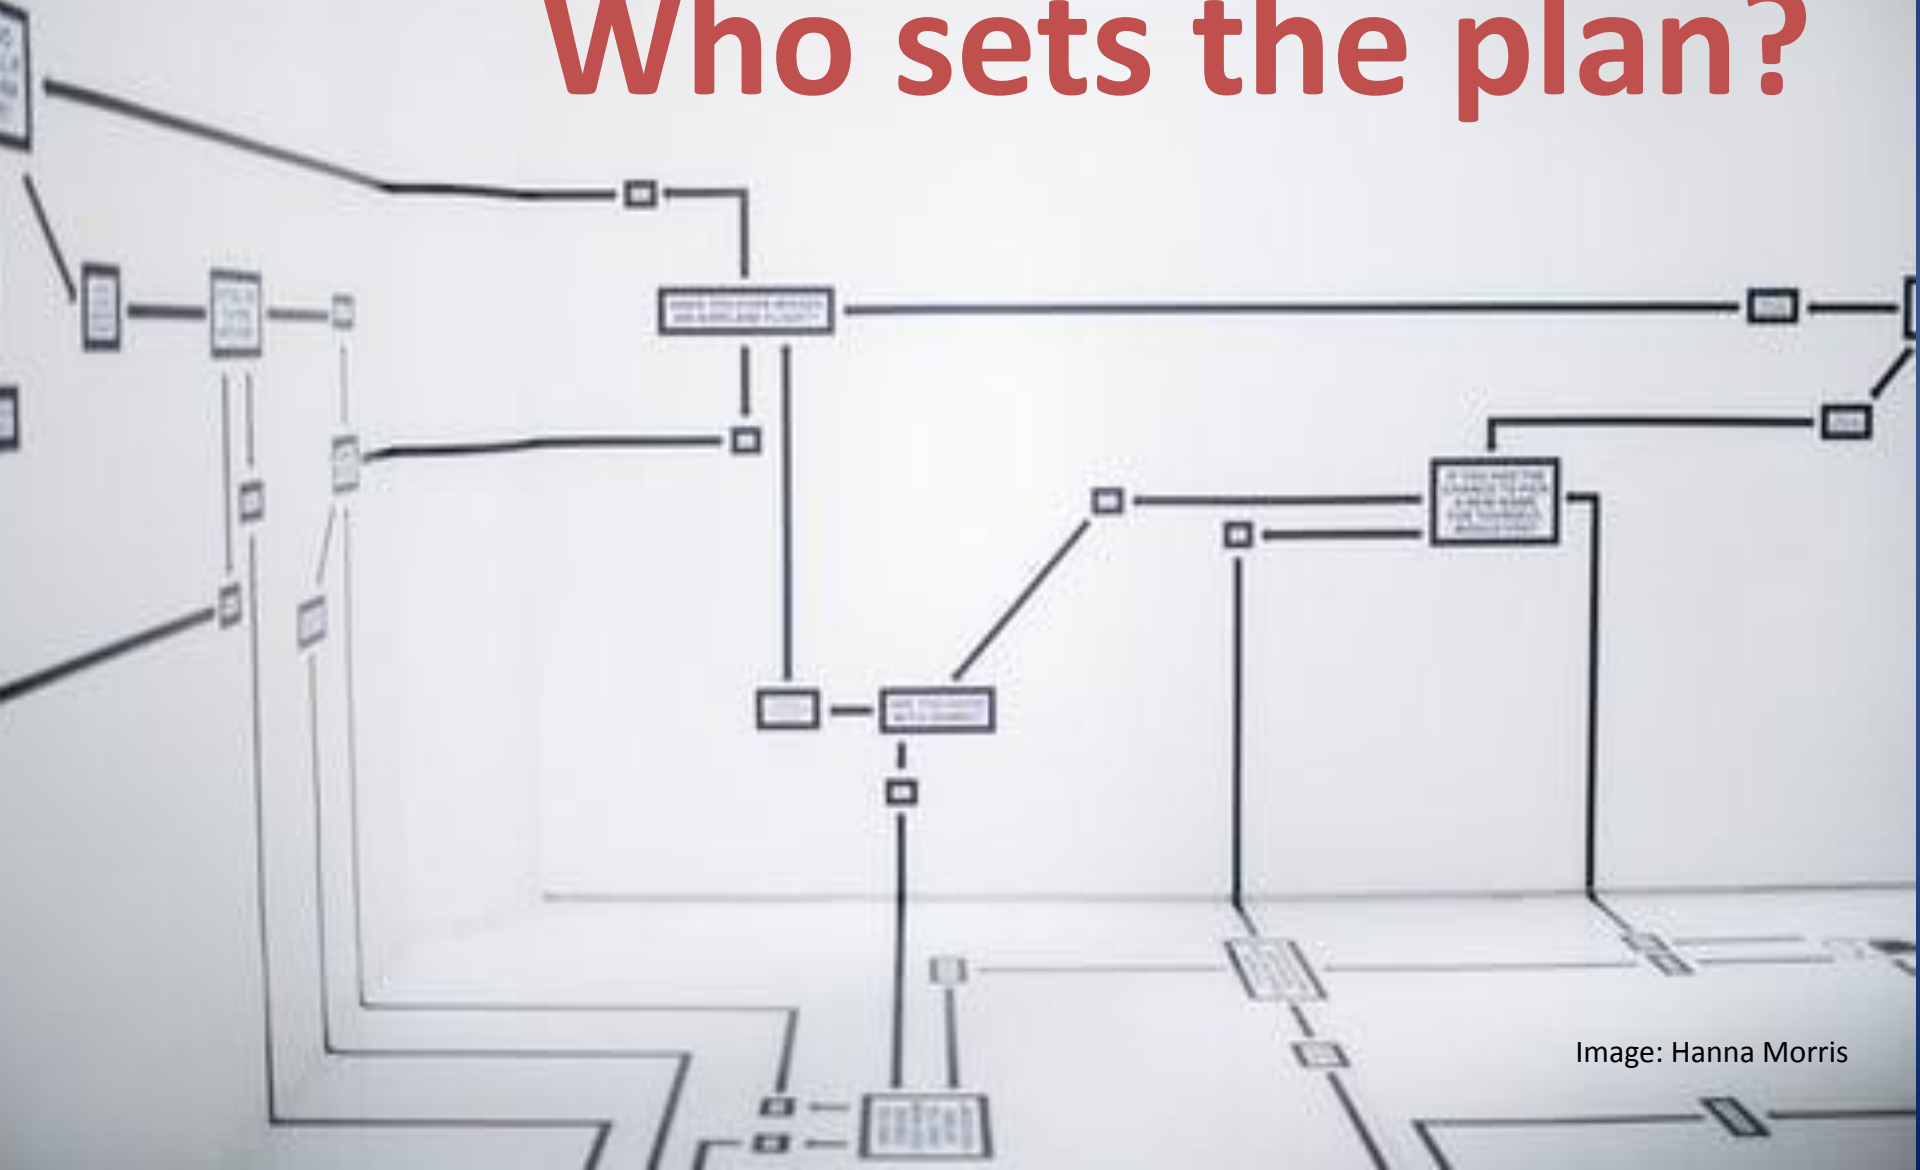

Image: Hanna Morris

A group of people are seated around a long, dark wooden conference table in a bright room. In the foreground, a person's hands are visible, writing in a yellow notepad with a pen. Further down the table, another person is writing in a white notepad. The background shows a blurred cityscape through a large window. The text "Public Engagement..." is overlaid in a large, bold, black font on a semi-transparent white rectangular background.

Public Engagement...
