Total	14,689	21,396	1,343	1,439	2,542	14,505	30,606

*Disorder Incidents are records in POSSE files and specify when and where nuisance and disorder occurs. Offences are counted separately, as one incident may have multiple types of offences logged within.

**Offences are acts of nuisance and disorder recorded in POSSE files and may include violations of Canada's criminal codes, Alberta's provincial statutes, the City of Edmonton's bylaws, or other disorder that may not be illegal but is generally a disturbance of peace and order.
