Report

Bylaw 19351 proposes to amend the Marquis Neighborhood Structure Plan (NSP) to redistribute the SWMFs resulting in a slight reduction in the amount of area allocated for this use. If approved, the balance of the land will be redesignated to medium to high rise residential uses and commercial/business employment uses. Bylaw 19351 proposes to reduce the size of three (3) existing SWMFs and adds two (2) additional facilities.

An associated proposed amendment to the Horse Hill Structure Plan with Bylaw 19350 and rezoning application with Charter Bylaw 19352 accompany this Bylaw.

All comments from civic departments and utility agencies regarding this proposal have been addressed.
