#### Report

Bylaw 19707, an amendment to the Summerside Neighbourhood Structure Plan, was submitted in conjunction with Bylaw 19706, an amendment to the Ellerslie Area Structure Plan, and Charter Bylaw 19708 to rezone the subject site from (EIB) Ellerslie Industrial Business Zone to (CB1) Low Intensity Business Zone. Charter Bylaw 19708 also amends Section 930 (Appendix 1) of the Zoning Bylaw (Special Area Ellerslie Industrial) by removing the subject property from the Special Area designation. Both plan amendments identify the subject property for commercial development and update the text within the plan, as well as the Land Use and Population Statistics.

All comments from civic departments and utility agencies have been addressed.

#### Public Engagement

Advance Notice was sent to surrounding property owners and the Summerside Community League of Edmonton on January 12, 2021. No responses were received.
