Position of Administration

Administration supports this proposed Bylaw.

Report

The purpose of proposed Bylaw 19685 is to close road right-of-way for the purpose of consolidation with the adjacent properties. The closure area was once used as lane access for the surrounding properties. However, these properties are all vacant now and the owner is seeking redevelopment through rezoning (Charter Bylaw 19687). As such, it does not serve any public benefit and is deemed surplus to the City’s needs. This road closure is also associated with a plan amendment (Bylaw 19686).

All comments from civic departments or utility agencies regarding this proposal have been addressed.

Public Engagement

Advance Notice was sent to surrounding property owners and the Parkdale-Cromdale Community League Association on January 16, 2020. 18 responses were received and are summarized in the attached Administration Report.
